Did you ever notice that best friends sometimes look alike.

Welcome to a "Little Bit of '84"

The Rambler hopes to bring you catches and glimpses by way of words and pictures. It will try store "bits and pieces" for your remembrance. This years book, includes bits of history, bits of knowledge and hopefully bits of pleasure for you.

Perry's most serious student.

I knew the answer a minute ago!

These two are part of the football team!?!

Don't talk to me, it's too early!!

Lockers can be very frustrating.

If you don't look you can't taste it!

A Little Bit Of History

The Rambler name comes from the schools history. Before Perry High had its first gymnasium, the athletic teams traveled to neighboring schools for all competitions. Hence they became known as the Ramblers.

Lockers — Lockers — Our "rooms" away from home. They are the place for our belongings. — just as tidy as our rooms at home — Each reflects the personality of its inhabitants.

The Freshmen class shows their spirit.

Mrs. Miller??

Homerooms — A "holding tank" for many — an active time for some — Are you ever in your assigned homeroom?

Why do I have a homeroom?

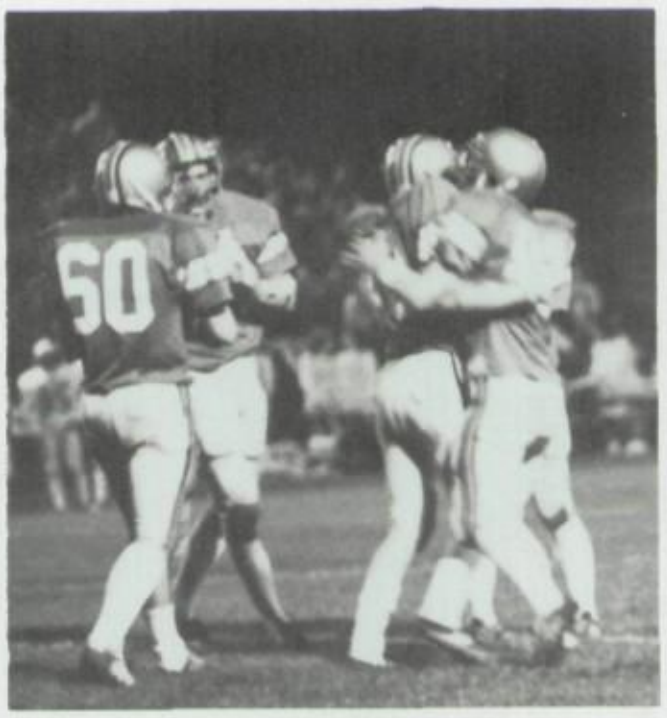
This years Ramblers started out with high hopes of winning the league championship and going undefeated. They had a strong combination of Juniors and Seniors that both produced 8-1 JV records. They opened the season with always tough New Lothrup. The Ramblers wound up on the top of a hard fought battle with an 18-15 win. The Ramblers next game was with Leslie. They played hard but came up a little short losing 14-7. Leslie went to an undefeated season and made the state semi-finals. The Ramblers then went on a tear, winning six of their last seven games and five in a row. They wound up in second place with a 7-2 record and defeated two other league champs, New Lothrup and Byron, in the process. This team sported the best record since 1972 and ranks as one of the top five in school history.



Greg and Mike rejoice after a Rambler big play.

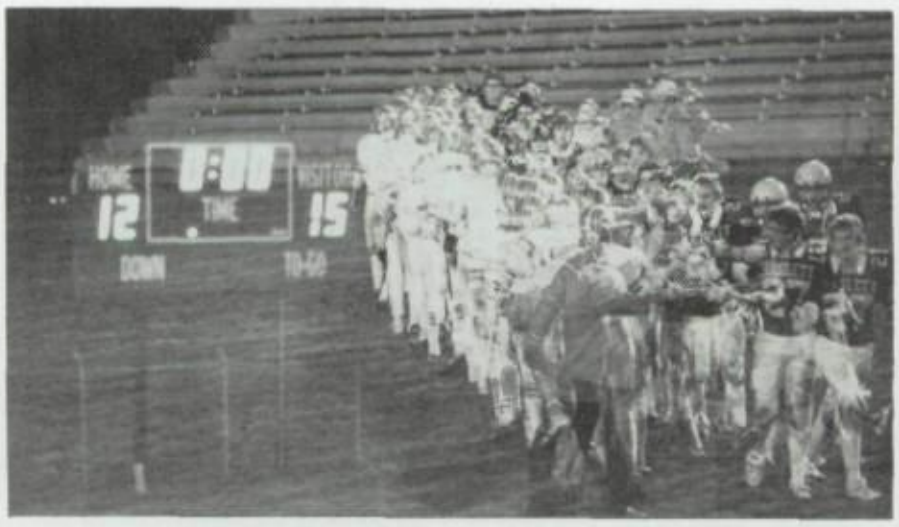
Mr. Warren in "true" form!



The "Little Ramblers" had an excellent record of 8 wins and 1 loss. That loss came at the hands of the Leslie Black Hawks by a score of 14 to zip. The team grew steadily more proficient as the season continued.

Great protection by the line!

JV BASKETBALL

The 1983 J.V. team had many ups and downs. The team started out with only 3 returning Sophomores. Soon after mid-season they were taken up to the Varsity. Before this point the team had won only 2 games. The remaining players bounced back to play some good games, winning one more and coming very close to other victories. The team's season ended with a 3-16 record overall. The game scores and the record don't reflect how hard this team worked and tried.

The Girls Varsity Basketball team had their most successful season in ten years. The overall record was 11-10, and an even 7-7 in the ICL. Regular season play finished on November 15, with a dramatic win over the Vikings of Haslett by a score of 50-48. Post-season play ended with a game against the Montrose Rams, at St. Charles District Semi-finals. It was a heartbreaking loss by 3 points.

Lisa Stoll was named to the second team All-League, and Kim Warfle received Honorable-mention All-League.

This year's RAMBLER Cross Country Teams did an excellent job in the ICL meets and in the regional meet. The highlights of the season being Lisa Kloss placing 12th at the state meet and Jeff Wilson placing 18th in the regional meet. Everyone put forth a great effort and did a super job. Both the guys and the girls teams would like to extend a very big "Thank You" to Mrs. Cornell for the use of her home and her farm.

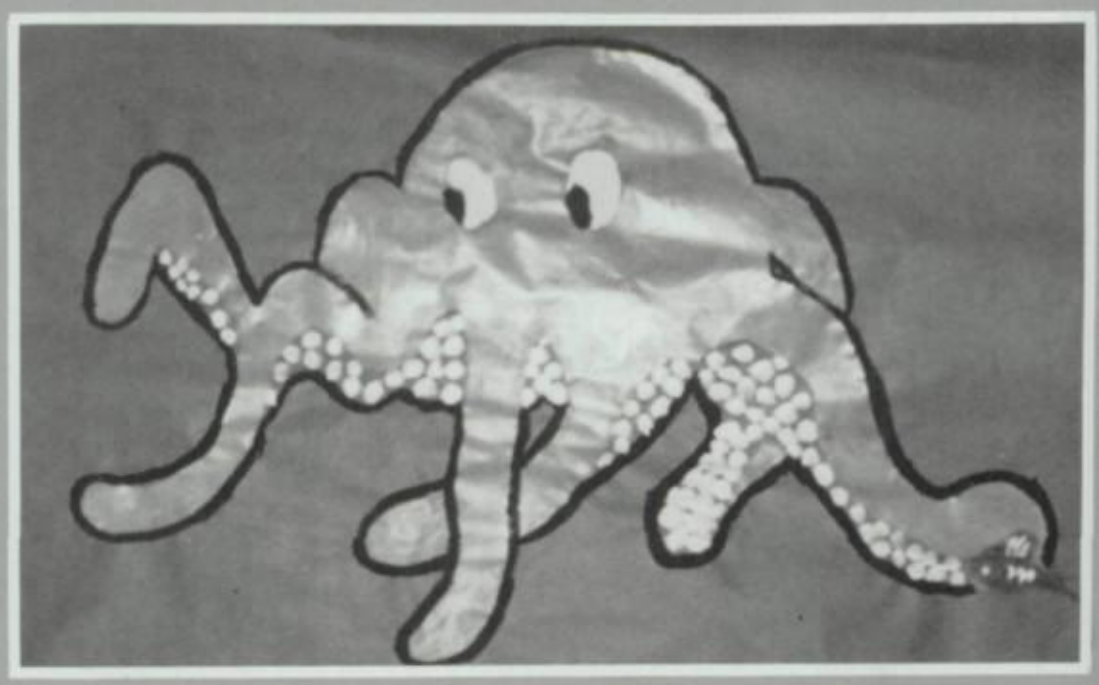
HOMECOMING

Spirits ran high during Homecoming week. Many students participated in spirit days by dressing up. Hall decorations and floats were worked on diligently all through the week in preparation for Friday. Hall decorations could at last be put into place Thursday evening. By 10:00 the halls were ready — awaiting the students arrival Friday morning.



The Sophomores decorated their hall with the theme of "Jungle Hunt".

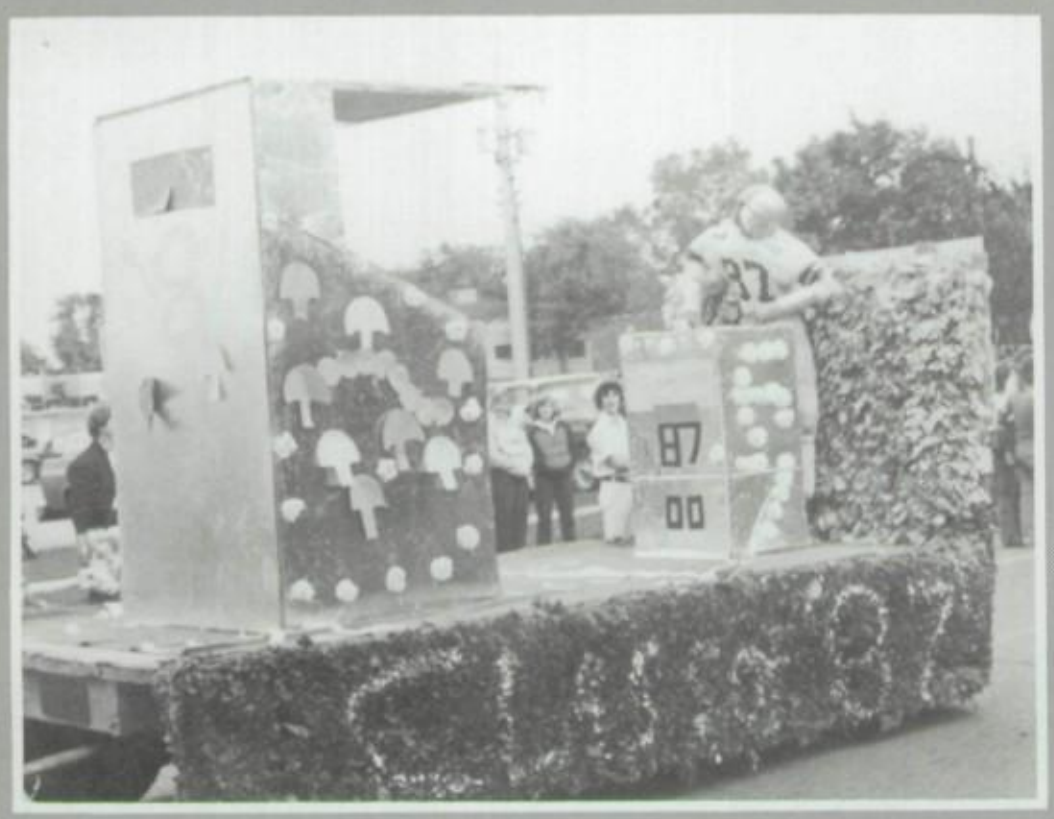
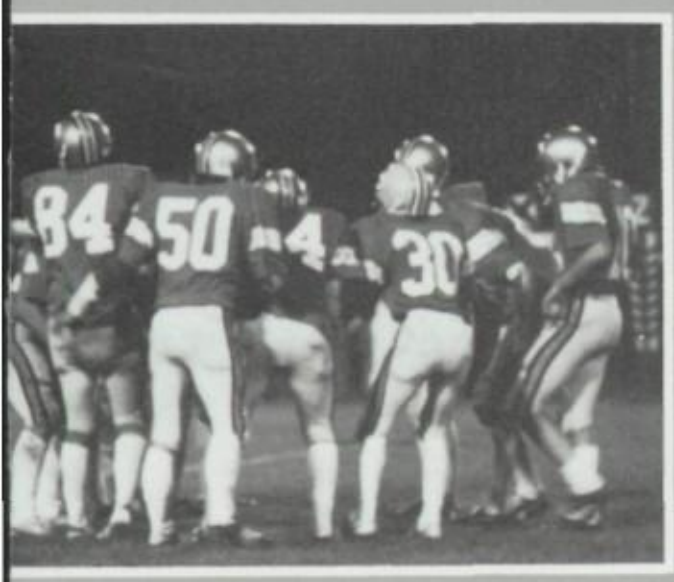
Continuing to build spirit, the cheerleaders planned a pep assembly for Friday afternoon. The candidates for queen and their escorts were introduced. Spirit day winners collected their prizes. The "Spirit Jug" was awarded to the seniors. They compiled the most points in hall, dress days and screaming competition. By the end of the rally, enthusiasm was feverish.

HOMECOMING

The Theme for Homecoming 1983 was dubbed "Video Games". The Juniors proved to be the victors in the float competition with their representation of ZAXXON. Injured Drum Major Mike Hurd caused many raised eyebrows as he "marched along" in his golf cart.



I think I need a shave!!



A long awaited Homecoming victory came on October 7th, when the Ramblers won a hard fought decision over the Fowlerville Gladiators 7-6. Ron Casaday and Todd DeLau blocked a Gladiator field goal in the waning seconds to preserve the Rambler victory!

HOMECOMING

Julie Lyons was crowned 1983 Homecoming Queen by Leta Stenback. She presided over the rest of the Homecoming activities. During halftime the winner of float competition was announced. The Junior class placed first with Zaxxon float.

After a Rambler victory, students moved on to the Homecoming dance. The Mickey Finn Band provided music for the evening. Slowly the busy and exciting week closed with the last hours of dancing.

GOLF

The Rambler Golfer's membership stayed nearly the same as last year, but improved their scores over last year. However, our competition also improved dramatically. This team's scores varied considerably; but that is the nature of the golf. Through the completion of the Dual Meet schedule Perry was fifth place. We finished fourth in the league meet for an overall fifth place finish.

The Varsity Basketball team was lead this year by Seniors Bob Merritt, Mark Schmidt, Rob Stuart and Kirt Wilson, with special assistance from Arent Roggeveen. The team was very competitive, exhibiting hustle and spirit in all their games. Coach Jerry McDevitt's third Varsity team improved tremendously. The team demonstrated fine teamwork and excellent ball handling skills. For the third year in a row the Ramblers defeated the neighboring rival Morrice for the traveling trophy. The team gave it their best effort each night, learning the values of hard work and dedication to a cause. These values will hold them in good stead as they move into life work.

JV BASKETBALL

At this writing the Perry JV basketball team is 11-5 overall and 8-3 in League. Consistent performances by sophomores have been the key. Freshman provided the support which led to the fine record.

The Ramblers have four games left and will try to win them all to complete a 15-5 team.

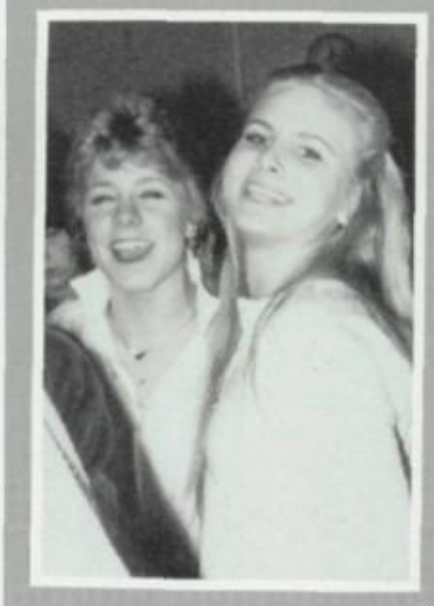
The Mighty Seniors easily pulled the Juniors over the line.

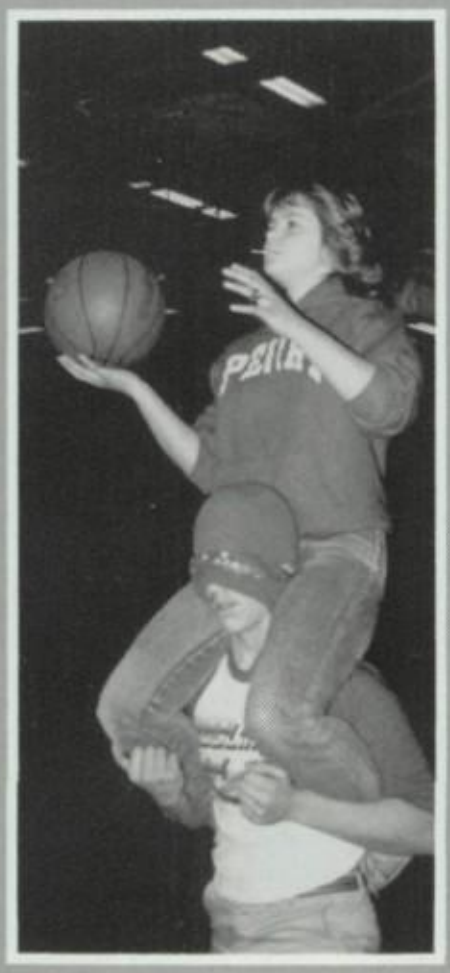
Sophomore spirit.

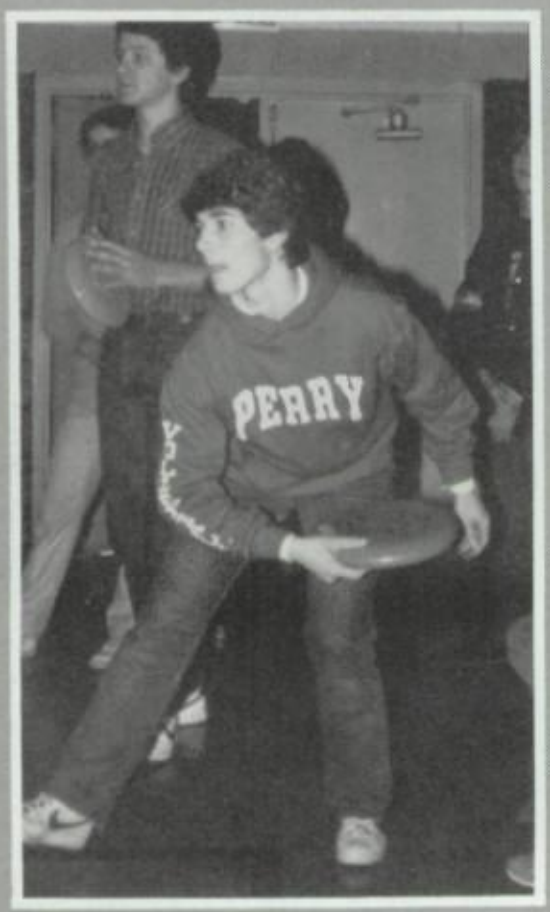
Sue and the Masked Marv
(A.K.A. Mike Hurd)

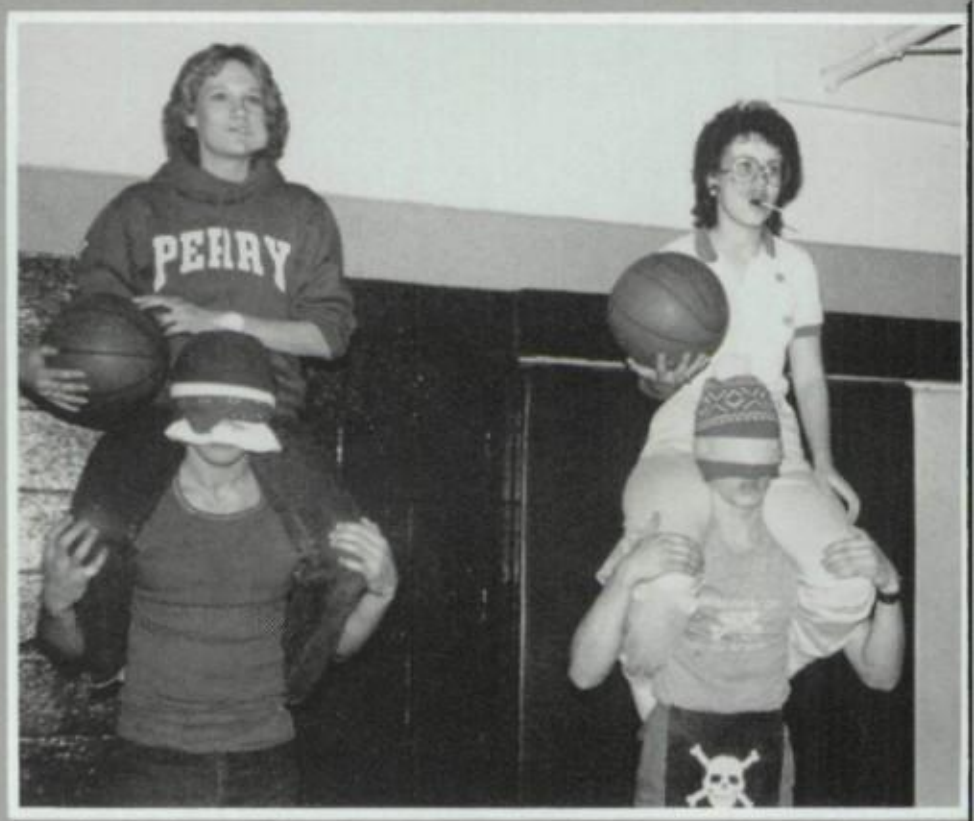


Hi guys!!

The freshmen weren't up to pulling over the Seniors. The sophomores however found no challenge pulling against the juniors.







Thursday activities were highlighted by a rousing 4th hour pep assembly. Class competitions were held in the following events: egg relay, egg toss, football freethrow, frisbee toss, piggy-back basketball. The winners were the Seniors. Second place went to Sophomores. Juniors and Freshmen tied for third. The student body went WILD!!

The weather was co-operative for the ice-sculpting event. Selected students from each class were dismissed from lunch on to make their creations. Seniors won with a detailed gator; a Florida college mascot. Juniors placed second, doing a razorback with a pirate on the reverse side. The tar-heels of N. Carolina were the choice of the third place Sophomores. Freshmen made several starts and finally produced a Chippewa, the Central Michigan mascot.

The poster contest produced the "best ever" efforts. A clean, crisp Senior entry took first. The Juniors captured second, and the Sophomores and Freshpersons followed in order.

The Seniors were easy victors against the faculty in the TUG OF WAR.

Spirit Chain Links were purchased mostly by the Sophomore class. Juniors were second. Seniors placed third, and Freshpersons had the shortest chain.

The Seniors accumulated the most points and won the Spirit Jug!!

Can you dance with your eyes closed?

The Cheerleaders presented a flashlight routine to "THRILLER" during the pep assembly Friday.

The dance was a smashing success. Everyone loved the band, "CEYX". Over 200 students danced 'til midnight. At the dance Richard Walls was crowned Winterfest King. He and his escourt, Amy Sanderson, hosted the dance. The game was a losing effort.

What is it like to be a ninth grader?
— your benches are snitched by juniors.
— you struggle thru "Bless the Beasts and the Children"
— your float comes in last (you barely made it to the parade on time)
— Oh well, next year you're SOPHOMORES!!

Our class President shows her best side.

The life of a sophomore includes:

— stealing the freshman benches
— being one of the big people on the J.V. teams
— dating — actually dating — someone special
— turning "Sweet 16"
— finally making sense of Geometry — but not until the last nine weeks
— receiving a drivers license
— getting your class ring
— looking forward to your Junior year

IN MEMORY OF . . .

The Class of 1984 lost some of its sparkle in the summer of 1983. Patty Bough was a sparkle of sunshine in all our lives. Her memory continues to warm our hearts.

BEING FRIENDS
Being friends
is a warm and glowing touch.
It's words
of kindness that mean so much.
Through the days
and years that bond has grown.
A blessing
only friends have known.
Being friends
holds a meaning true,
It's past
and present and yet it's new.
It's time
wrapped up in things we do . . .
I'm glad
God made a friend like you'.

Alternative Education is a self-contained classroom that provides a close-knit atmosphere which enables students to pursue their studies in an environment where they have opportunities to succeed. These students meet in Portable 2 from 8:20 to 1:40. They are taught by Mrs. McDevitt, Mr. Nestell, and Mrs. Trautz. Students enrolled in Alternative Education have the opportunity to be mainstreamed into regular high school classes if they so choose. These students must meet the same requirements for graduation that all PHS students must meet and are eligible to participate in athletics, and extra-curricular activities that are available to regular day-time students. The program services about 20-25 students during the school year.

Amy—
you are a real sweetheart. Someday we'll become professional singers. We've become closer this year - I'm glad! I'm sure that you'll go far in life. I wish you the best in all you choose to do. I hope all your memories of us are happy. I don't keep with "just anyone" you know. See ya next year. This summer too!

take Care and God Bless

As ever, "86"

Amy, To one of my truly dearest Friends. We've been through hell and back, but we would do it all again, right? Remember always the stoopid things we've done. If ever need a shoulder (or a room!) I'll be here. Don't think we'll ever stop being Friends (or decide on one guy - just one?) NO WAY!) Well Good Luck and Go For it all (you know!)

P.S. Were did Junior Bates go - that gonky!

Love ya,
Rocky
